This will be my first year of teaching and I am very excited to get to know each kid!! In my spare time I love to shop, eat new foods, cook and bake, and spend time with my 9-month-old baby girl Harper and my husband.

Kim Milius

I am Kim Milius and I am from Plymouth, NE. I graduated from Peru State College and this is my first-year teaching. I had the privilege of completing my student teaching in first grade and absolutely loved it. Outside of school I enjoy spending time with family and friends, days at the lake, traveling and attending my daughter, MacKenna's, school and sport activities. I am thrilled to begin my teaching career with the first graders at Southern Elementary. I look forward to fostering new relationships, helping students reach their goals and celebrating success.
