August 16, 2017

Dear Parents/Guardians:

At the last board of education meeting on Monday, August 14 the school board approved a calendar change on October 20. We wanted to make all parents/guardians aware of this change. On October 20, there will be an early dismissal at the Preschool/Elementary School at 1:20 p.m. and at the Jr./Sr. High School at 1:30 p.m. due to Lincoln Christian Schools inability to host evening football games because of not having lights installed on their football field yet.

We also have some other corrections at this time to the district calendar. On October 2, the JV Volleyball Triangular with Beatrice/Wilber-Clatonia is at Beatrice. The other correction is on January 8, the Reserve Boys Basketball Triangular with Tri County and College View is at Tri County.

Again, if you have any questions about the district calendar, please feel free to contact either the Elementary School or the Jr./Sr. High School. Both parents/guardians and patrons can stay updated on school events on the school website at www.southernschools.org.

Sincerely,

Christopher Prosocki, Ed.D.
Superintendent
