

Mrs. Clay's Classroom

- Passing Fluency Tests
- Good Grades on Daily Work & Assessments
- Encouraging One Another
- Being Kind to One Another

The highschool students worked in two groups to prepare fun and interactive Spanish lessons to teach to the elementary students. The students did all of their own planning and created all of their own materials for the lesson.

Mariah, Shelby, Gabi, & Alicia taught colors by first playing a game of “I Spy” using the color names and then playing BINGO with colored squares.

Thank You! :)

Thank you, Mrs. Fossler for arranging this reward day!
We enjoyed being a part of your class today and
having the opportunity to teach you Spanish! Great
job meeting all your goals!
