SOUTHERN SECONDARY SUGGESTED SUPPLY LISTS

The following are suggested supplies for students to have with them on the first day of school. Students at the secondary level have a wide variety of classes. Therefore, different student class schedules somewhat dictate the supplies they may need. A full list of supplies, which are not covered below, will be given to students by each of their classroom teachers on the first day of classes.

Suggested items of all students:

Pens, black or blue ink & red ink

#2 leaded pencil.

Colored pencils

Calculator

At least (2) three ring binders, 2 inch binding

Notebook paper

Three ring spiral notebooks of at least 70 pages for each class.

Physical Education Students:

Student in Physical Education classes will need gym shorts, gym t-shirts, gym shoes and socks and any personal items they need for these classes. (Towels, athletic supporters, etc.)

Industrial Arts Students:

Students in shop classes are required to purchase any and all items which they will be taking home for personal use.

Prior to the beginning of the project the student will need to have purchased all materials which are used in the project should the student be taking home the project upon completion. A cost analysis will be completed by the student under the direction of the instructor prior to the building of the project.
