

## **Anonymous Reporting System (Safe Schools Alert)**

*For Emergencies, Always Call 911!*

Safe Schools Alert is our district's tip reporting service. If you have information about a threat to our safety, do your part and report it! And remember, you can remain anonymous.

Students, staff, and parents can anonymously report safety concerns, including bullying, harassment, mental health concerns, weapons, and threats of violence to the administration 24/7/365.

**5-Way Notification:** Safe Schools system allows you to report safety concerns by app, phone, text, email, and website:

<b>Website:</b>	<a href="http://1873.alert1.us">http://1873.alert1.us</a>

***Please Note:*** When reporting an alert, please keep in mind that while an anonymous tip is appropriate in some situations, it does make it more difficult for school administration to follow-up on the incident and provide feedback to the person(s) involved. Also, please be aware that any malicious intentional false reports will be taken very seriously and may result in consequences from school administration and/or law enforcement officials.
