

Clubs and Activities

El Museo Latino Trip- Spanish Club

This year there is a new Spanish Club at the high school! The goal of this club is to give students exposure to a variety of Hispanic cultural activities and experiences that might not otherwise be available to them. Our first outing was to El Museo Latino (the Latin Museum) in Omaha. Students saw authentic ofrendas, Calaveras poems, beaded tribal masks, and alebrijes as part of their guided tour before doing a hands-on activity making papel picados. In the future they hope to have a Spanish movie and taco night.

Spooktacular

Southern FBLA and Spanish Club members along with several other students volunteered their time to help make this year's Spooktacular a success. Students ran booths, helped with activities and games, passed out coloring book pages for Day of the Dead, and helped with clean-up. Thank you to everyone for helping make this year a huge success.

Southern Spotlight

Red Ribbon Week

RAAD (Raiders Against Alcohol and Drugs) sponsored Red Ribbon Week, the drug free awareness week at Southern Jr/Sr High and Elementary during the week of Oct 28-31st. The theme for the week was "Send a message, be drug free." The week began with a pep rally at the elementary with the high school and elementary students pairing up for a fun day of games and activities lead by RAAD members. The day concluded with a balloon launch.

Each day of Red Ribbon Week was celebrated by wearing themed clothing, as well as red ribbons. In addition, drug free messages and health information was distributed throughout the schools. The elementary school had a pumpkin decorating and a poster contest. A bean counting contest was held in both schools and RAAD gave prizes throughout the week to students and staff. The overall focus of the week was being healthy and making good choices.

Let Us Know

Do you know of a Southern student who has gone above and beyond for our community? We would love to recognize them for their hard work and positive impact right here on the next Southern Spotlight. If you know of an opportunity in the community that our kids can be involved in? Let us know.

Veteran's Day

Veteran's Day Program

Southern held their annual Veteran's Day program on the morning of Monday Nov. 11 to honor the local men and women who have served in our nation's armed forces. Senior Aryel Lane and high school principal Jeff Murphy lead the program while the band and choir students, lead by Shelly Gerdes (band director) and Lorren Rahn (Choir director), prepared several musical pieces in honor of the occasion. Several local veterans were in attendance for the event and to present our nation's colors. Thank you for your service to our nation.

Let Freedom Soar

"Let Freedom Soar" was created by seventh grade art students in honor of Veteran's day. Students painted, cut, and glued down individual paper feathers to create their freedom wings. This is meant to be an interactive social media piece. If you find yourself at the high school please take a photo with our wings and help us continue to thank the men and women who have served in our nation's armed forces.
