

New Scoreboard

over the summer months; the district installed a new scoreboard at the football field.

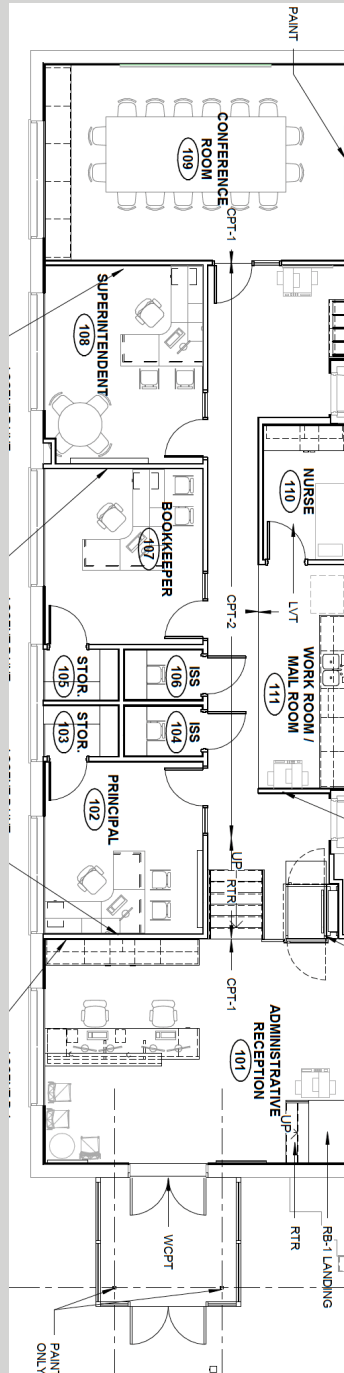

the district also just completed a new safe and secure entrance at the elementary school.

in addition; the school board approved bullet resistant film to be installed on all ground level windows and doors at both facilities this fall.

NEW SAFE & SECURE ENTRANCES

At the July 24, 2023, special school board meeting, the school board approved a new safe and secure entrance for the Jr./Sr. High School that should be finished by January 15, 2024. The school board continues to make the safety and the security of all the students and staff members a number one priority for the district.
