

The FBLA officer team worked extremely hard to put together a student “fun day” for successfully completing the Block the Door food drive challenge we hosted in the fall. Because the student body was able to block all 16 classroom doors with the food that was collected for the Wymore Food Pantry, they were rewarded with a day off of classes and filled with activities. Students enjoyed playing dodgeball, musical chairs & just dance, cornhole, board games, hide & seek around the building, and answering a quiz game about the seniors. Teachers’ help in running all of the activities was tremendously appreciated to help the day go smoothly!

Notice of Nondiscrimination:
Southern does not discriminate based upon any protected status.

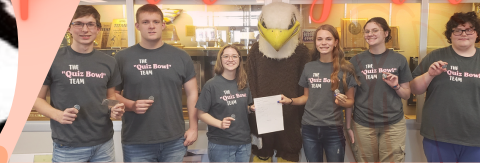

Displaying artwork gives students the opportunity to identify and demonstrate the role of an artist and to explore art-related careers.

The overall culture of our building has shifted in a positive direction as the students and staff are surrounded by artwork.

All K-12 students at Southern are showing off their artistic abilities inside both the elementary and the high school buildings. Should you find yourself walking through the hallways of either school, you'll find ceramics, paintings, drawings, and even a mural along the staircase at the high school.

Southern Senior High Quiz Bowl had a wonderful season. As a team, they continued their dominance in several local events this spring. Our 13 students faced many challenges and triumphed in some most impressive ways. A tough loss in the Bio3 radio competition was followed up with a great showing (5th place) at the Pioneer Conference tournament. Perhaps the pinnacle of the season was our most dominant win at David City. We are 3-peat champions of this tournament! Our third tournament of the season resulted in a tough 5th place result and no return trip to the State tournament. However, our students are resilient and followed up with an amazing showing at the MUDECAS conference with a 2nd place finish (our best EVER!)

Congratulate these amazing students when you see them! Our students never fail to impress with their vast knowledge and competitiveness each and every year. I am so proud to be able to accompany them on this journey every season.
