Dear Southern Schools beginning band parents and students,

We are looking forward to attending your beginning band meeting on Tuesday, September 15. We will have instruments available for rent or purchase. We will also have books and accessories available for purchase. We will be doing everything we can to maintain a clean and safe environment.

One way to shorten the contact time needed that night is to reserve your instrument online!

Visit dietzemusic.com to reserve your instrument before the meeting. Click on "INSTRUMENT RENTALS" on the home page. Pick the instrument you need, fill out the parent application, pay online, and choose to have your instrument delivered to the school. We will have the instrument ready for you the evening of the meeting. All we will need from you is a signature.

To have your instrument delivered for the meeting, please complete the online rental by noon on Monday, September 14. Books and accessories (reeds, music stands, etc.) will be available to purchase separately that evening if needed.

Please contact the Lincoln Gateway Location with any questions:
402-476-6644

We look forward to seeing you,

Darcie Olsen
Education Specialist
Dietze Music
