TO: Parents/Guardians of Elementary Students

ABOUT: Halloween Treat Bag Fundraiser

October 4, 2021

Dear Parents/Guardians,

The sophomore class is selling Halloween treat bags which will be delivered to the elementary on October 28, 2021. They will be given to each elementary teacher to hand out to their students. They are small party bags filled with candy. Each bag costs \$2.00. A short message may be added to the treat bag. You may order by contacting me through email at vbarnhart@southernschools.org or through the classroom teacher. Your child may also buy a bag to be delivered to a friend in another class. Elementary students and parents may give their orders to their classroom teachers from now until October 20, 2021.

Thank you for your support. Please let me know if you have any questions.

Thank you!

Valerie Barnhart
